Please issue the person named below with an additional Card on my account.

I understand:

- You may refuse my request.
- I am responsible for all use of the additional Card and must pay for all transactions the additional Cardholder makes even if I disapprove of them or if the additional Cardholder breaks the conditions of my agreement with you.
- I may cancel the additional Card at any time. If I do so, I will return the additional Card to you.
- I am liable for all transactions made before the additional Card is returned. This includes transactions charged to my account after its return. It may also include telephone or other transactions using my card number even after the Card has been returned.

For me, the additional cardholder, you may run an identity check which may be recorded by the credit reference agencies but it will not be used by other lenders or insurers when assessing lending or insurance risks, although it may be used for debt tracing and to prevent money laundering.

I understand that the account is not in my name and so I cannot make any changes to the account details, or get any information about the account unless the Principal Cardholder has sent you written authorisation.
